Subject: MICROSOFT SETTLEMENT

Judge;

We need a fair and level playing field in the US software industry. We surely do not have one now!

I have been in the industry for almost 15 years, and I have seen Microsoft again and again abuse their monopoly power.

Please ensure that Microsoft (they're not called 'the beast of Redmond' for nothing) is obliged to honor the law just like everyone else.

Your courageous stand on this difficult issue will be deeply appreciated.

Sincerely yours.
